

Contents

Vol. 54, No. 1, February 1984

REVIEW ARTICLE

- Value of CEA in breast cancer — B. N. Gray** 1

ORIGINAL ARTICLES

- Oestradiol receptor values in breast cancer and response of metastases to therapy — R. M. Bryan, R. J. Mercer, R. C. Bennett, G. C. Rennie, Tat Hean Lie and F. J. Morgan** 3
- The prognostic value of oestrogen receptors in breast cancer — R. J. Mercer, R. M. Bryan, R. C. Bennett, G. C. Rennie, Tat Hean Lie and F. J. Morgan** 7
- The assessment of histological differentiation in breast cancer — C. W. Elston** 11
- 1,25-Dihydroxyvitamin D₃ and breast cancer — J. A. Eisman, L. J. Suva and R. J. Frampton** 17
- Mitoxantrone treatment in advanced breast cancer — M. Leyden, Zhao-Ming Cheng, J. Collins, I. Russell, J. Andrews and J. Sullivan** 21
- Wound healing following mastectomy — J. A. Hayes and R. M. Bryan** 25
- Neurological injuries in South Australia: the influence of distance on management and outcome — D. Simpson, B. North, J. Gilligan, J. McLean, A. Woodward, J. Antonio and P. Altree** 29
- Neurosurgical management of spinal conditions — B. R. Selecki and M. Sewell** 37
- An appraisal of the role of the PTFE graft in lower limb arterial reconstruction — M. B. Bruce, C. B. Stephenson, W. C. Shirer and D. M. Maclean** 43
- Doppler ultrasound detection of saphenofemoral and saphenopopliteal incompetence and operative venography to ensure precise saphenopopliteal ligation — M. C. Hoare and J. P. Royle** 49
- Influence of tumour differentiation on survival resection for rectal cancer in a series of 1296 patients — F. T. McDermott, E. S. R. Hughes, E. A. Pihl, B. J. Milne and A. B. Price** 53
- Perforated peptic ulcer — a seasonal disease? — J. Adler, D. Ingram and T. House** 59
- Supraglottic laryngectomy: a perspective for New Zealand — R. P. Morton and P. M. Stell** 63
- Digital avulsion injuries : the shish kebab effect of the fibrous flexor sheath — B. C. Milroy, R. J. Aldred and D. Vickers** 67
- A low power magnification technique for the re-anastomosis of the vas — further results in a personal series of 125 patients — D. Urquhart-Hay** 73

SURGICAL TECHNIQUES

- A simple two-handed surgeon's knot — M. J. Sandow** 75

SURGICAL RESEARCH

- Mechanism and prevention of nipple valve dessusception: an experimental study — E. L. Bokey, P. G. Hayward, P. H. Chapuis and S. E. Johnson** 77

CASE REPORTS

- A case report of splenic pregnancy — D. E. Huber, S. D. Martin and G. Orlay** 81
- Ewing's sarcoma of mandible: management by a multidisciplinary approach — R. Englund, K. Chew, J. Biggs and B. Sheridan** 83

- NOTICES** 87

- BOOK REVIEWS** 89

Vol. 54, No. 2, April 1984

EDITORIAL COMMENT

- Surgery for gastro-oesophageal reflux — *J. P. Richardson* 93

REVIEW ARTICLE

- Gastric surgery in the eighties (The Graham Coupland Lecture 1983) — *T. Kennedy* 95

ORIGINAL ARTICLES

- Synchronous chemotherapy and radiotherapy for carcinoma of the anal canal — an alternative to abdominoperineal resection — *K. W. Tiver and A. O. Langlands* 101

- A study of factors responsible for the efficacy of fundoplication in the treatment of gastro-oesophageal reflux — *G. K. Kiroff, G. J. Maddern and G. G. Jamieson* 109

- Right upper quadrant masses mimicking hepatic tumours: an approach to management — *N. A. Collier, D. J. Allison, M. Vermess and L. H. Blumgart* 113

- The spread of oesophageal cancer. An evaluation of clinical, barium and computed tomography assessments — *A. Mannell, B. Epstein, V. Patel, G. M. Omar and T. Diamantes* 119

- Hernia semicircularis — an unusual lateral ventral hernia — *D. G. MacLellan and K. J. Hardy* 127

- The injured spleen: should consideration be given to conservative management? — *R. A. Hunter, G. K. Kiroff and G. G. Jamieson* 129

- Arterial embolectomy : a review of one hundred cases — *G. J. Bates and A. R. Askew* 137

- Reduction of blood loss in knee arthroplasty — *M. Hyde Page, B. D. Shepherd and J. M. Harrison* 141

SURGICAL RESEARCH

- Functional capacity of blind small bowel loops after intestinal remodelling techniques — *T. M. Ramanujan* 145

- Uncertainty in the amount of power delivered by CO₂ medical lasers — *G. S. Zelenka, E. R. Owen and K. A. Bryant* 151

- Proceedings of a meeting of the Surgical Research Society of Australasia held at St Vincent's Hospital, Melbourne, Victoria, 6-8 October 1983 155

CASE REPORTS

- Duct ectasia in the male breast — *K. W. Chan and W. Y. Lau* 173

- Isolated pulmonary congenital incompetence — a case report and literature review — *A. Spigelman and J. S. Wright* 177

- NOTICES 183

- BOOK REVIEWS 185

Vol. 54, No. 3, June 1984**EDITORIAL COMMENT**

- The biology of breast cancer and its influence on management — *R. C. Bennett* 189

ORIGINAL ARTICLES

- The Nottingham Research Programme in breast cancer — *R. W. Blamey* 191
- Pathological aspects of the UK Breast Screening Project with special reference to minimal and 'borderline' lesions — *C. W. Elston* 201
- Health education in the control of breast cancer — *D. Hill, J. Rassaby and N. Gray* 205
- Progesterone receptors in breast cancer — *R. M. Bryan, R. J. Mercer, R. C. Bennett, G. C. Rennie and Tat Hean Lie* 209
- Hormone receptors in breast cancer — *R. J. Mercer, R. M. Bryan and R. C. Bennett* 215
- The diagnosis and local staging of renal cancer — an appraisal — *D. D. Elder, S. R. Orell, M. R. Sage, G. R. Sinclair and V. R. Marshall* 219
- Wound infection following renal transplantation — *R. T. Judson* 223
- Distal ureteral atresia — *S. M. Bose and S. K. Sharma* 225
- The management of testicular epidermoid cysts and other benign intra-tunica albuginea testicular tumours with particular reference to scrotal ultrasound studies — *R. B. Brown* 229
- A prospective study of 100 consecutive carpal scaphoid fractures — *D. A. F. Morgan and J. W. Walters* 233
- Odontoid fractures, systemic disease and conservative care — *H. Dickson, S. Engel, P. Blum and R. F. Jones* 243
- Blunt injury to the subclavian artery — *I. Faris, P. Jury and P. Malycha* 249
- Antimicrobial management of intracranial abscess — *G. R. Gillett, J. E. Garner and D. A. Bremer* 253
- Haematemesis and melaena at St Vincent's Hospital, Melbourne — *P. D. Danne, B. N. Gray and R. C. Bennett* 257

SURGICAL RESEARCH

- Altered blood lymphocyte subclasses in patients with ulcerative colitis — *R. P. Learmonth, E. Pihl, W. R. Johnson, M. A. Barnett, F. T. McDermott and E. S. R. Hughes* 265
- Multiple endocrine neoplasia type II: The role of gastrointestinal humoral factors in calcitonin release following alcohol and pentagastrin stimulation — *D. R. Fletcher, O. Gamvros, W. K. Man, I. Trayner and T. Adrian* 271

SURGICAL TECHNIQUES

- Firebreak grafts in Dupuytren's contracture — *J. T. Hueston* 277
- Interposition vein cuff for anastomosis of prosthesis to small artery — *J. H. Miller, R. K. Foreman, L. Ferguson and I. Faris* 283

CASE REPORTS

- Blunt abdominal trauma simulating Crohn's disease of the terminal ileum — *E. G. Brownstein* 287
- A case report of subglottic stenosis — *T. Havas, M. Dodd, B. Weldon, B. Benjamin and P. Pigott* 291

297

Vol. 54, No. 4, August 1984**EDITORIAL COMMENT**

- Melanoma-in-situ: what's in a name?** — *N. C. Davis and J. H. Little* 301

ORIGINAL ARTICLES

- Current status and future prospects for adjuvant therapy of melanoma** — *P. Hersey and C. M. Balch* 303
- The biliary pseudo-trinity** — *Sir Reginald Murley* 317
- Oestrogen receptors in cystadenocarcinoma of the pancreas** — *G. A. Kune and R. F. Hunt* 321
- Progesterone and oestrogen receptors in meningiomas: biochemical and clinicopathological considerations** — *I. R. Whittle, M. S. Foo, M. Besser and G. K. Vanderfield* 325
- Atypical meningiomas — clinical pathological correlation** — *G. Wong and C. Harper* 331
- Dieulafoy's disease — a distinct clinical entity** — *R. W. Strong* 337
- A comparison between primary and secondary liver cancer** — *J. M. Little* 341
- The continent ileostomy — an 11 year experience** — *D. G. Failes* 345
- Intussusception in childhood: A review of 139 cases** — *A. L. Sparnon, K. E. T. Little and L. L. Morris* 353
- Doppler testing as an important conservation measure in the treatment of varicose veins** — *J. Large* 357
- Percutaneous transluminal embolization of vertebral artery injury** — *A. Richardson, M. Soo and J. P. Fletcher* 361
- Urological anomalies in the caudal regression syndrome** — *A. L. Sparnon and S. Ahmed* 365

SURGICAL TECHNIQUES

- A method of using the tympanomastoid fissure to find the facial nerve at parotidectomy** — *M. S. Robertson and P. Blake* 369
- Resectoscopic transanal resection of extensive rectal adenomas** — *R. J. Irwin* 375

EDUCATION FOR SURGEONS

- How well does a test predict the diagnosis?** — *K. Cox* 379

CASE REPORTS

- Volvulus of the splenic flexure of the colon in a child** — *K. L. Narasimharao, Y. Mengi, S. K. Mitra and I. C. Pathak* 385
- Intracranial meningeal chondrosarcoma — probable mesenchymal type** — *R. A. Rodda and C. I. V. Franklin* 387
- Coincidental diagnosis of clinically undetectable primary breast carcinoma with a gallium-67 study performed for assessment of spread of malignant melanoma** — *M. A. Rossleigh, W. H. McCarthy and J. G. Morris* 391

SUBJECT INDEX

- abdominal pregnancy 81
- abdominal trauma
 - in children 439
 - blunt, simulating Crohn's disease 287
- abdominoperineal resection
 - for anal carcinoma; synchronous
 - chemotherapy and radiotherapy as an alternative 101
 - reconstruction of anus after 575
- abscess, intercranial, antibiotic management of 253
- adenomas, rectal, resection of using urological resectoscope 375
- adrenal gland, adenoma of, in primary aldosteronism 451
- aldosteronism, primary (Conn's syndrome) 451
- anal neoplasms, synchronous chemotherapy and radiotherapy for 101
- anastomosis, arterial 283
- angiography 509
- antibiotics, prophylactic, for appendicectomy 537
- anus, reconstruction of after abdominoperineal resection 575
- appendicectomy, prophylactic antibiotics for 537
- appendicitis, mimicked by splenic torsion 573
- arterial disease, treated by bypass graft 43
- arterial embolectomy 137
- artery, subclavian, blunt trauma of 249
- arthroplasty, knee, reduction of blood loss in 141
- atresia
 - distal uretral 225
 - intestinal, experimental techniques of intestinal remodelling for 145
 - oesophageal 447
- bile duct
 - damage of during cholecystectomy 317
 - endoscopic sphincterotomy for calculi of 457
- bile peritonitis, with gall bladder perforation 531
- biliary drainage, percutaneous transhepatic (PTBD) 461
- biliary pseudo-trinity, as a hazard of biliary surgery 317
- brain, meningeal chondrosarcoma 387
- breast cancer *see* neoplasm
- breast
 - duct ectasia in male 173
 - hormone receptors in male 215
- bypass graft
 - femoropopliteal, use of PTFE graft in arterial reconstruction 43
 - interposition vein cuff for anastomosis of vascular prosthesis 283
- calcification, dystrophic 491
- calcitriol, assay of 1,25-dihydroxyvitamin D₃ in breast cancer 17
- calculi, in bile duct, endoscopic sphincterotomy for 457
- carcino-embryonic antigen (CEA), in breast cancer 1
- carcinoma, breast, detected during ⁶⁷Ga assessment of melanoma 391
- carotid artery, colour-coded Doppler imaging of 509
- carpal tunnel syndrome 491
- caudal regression syndrome, urological anomalies in 365
- chemoprophylaxis, long term, for vesico-ureteric reflux (VUR) in children 417
- chemotherapy
 - for Ewing's sarcoma of mandible 83
 - mitoxantrone, in treatment of advanced breast cancer 21
- cholecystectomy, bile duct damage during 317
- chondrosarcoma, intracranial, meningeal 387
- clinical trial, of multi-channel cochlear prosthesis 519
- cochlear implants (ed. comm.) 501
- cochlear prosthesis, multi-channel, trial of 519
- colitis, ulcerative, blood lymphocytes in 265
- colon, volvulus of, in a child 385
- colorectal neoplasm 549
- colostomy, double barrel, closure of using stapling instruments 569
- computed tomography (CT)
 - in assessment of spread of oesophageal neoplasm 119
 - in diagnosis of renal neoplasm 219
- congenital abnormalities
 - atresia, distal ureteral 225
 - atresia, intestinal, experimental intestinal remodelling for 145
 - atresia, oesophageal 447
 - caudal regression syndrome, urological anomalies in 365
 - cryptorchidism 431
 - Hirschsprungs disease 435
 - isolated congenital pulmonary incompetence (ICPI) 177
 - urethral fistula after hypospadias repair 483
- Crohn's disease, presenting as a perforating Meckel's diverticulum 489
- cryptorchidism 431
- cystadenocarcinoma of pancreas, oestrogen receptors in 321
- cytology, fine needle aspiration, in diagnosis of renal neoplasm 219
- deafness, postlingual, clinical trial of a multi-channel cochlear prosthesis for 519
- diagnosis, efficiency of testing in 379
- Dieulafoy's disease 337
- 1,25-dihydroxyvitamin D₃, in breast cancer 17
- diverticulum, Meckel's 489
- Doppler testing, in treatment of varicose veins 357
- duct ectasia, in male breast 173
- Duhamel operation, for Hirschsprung's disease 435
- Dupuytren's contracture 277

 - Soave operation, for Hirschsprung's disease 435
 - somatosensory evoked potentials (SEP) used for intra-operative spinal cord monitoring 553
 - somatostatin, in treatment of gastro-intestinal fistula 465
 - spinal cord, monitoring of using SEP in surgery for scoliosis 553
 - spinal surgery, neurosurgical management of 37
 - spinal trauma, influence of distance on outcome of 29
 - spleen, rupture of due to splenic pregnancy 81
 - splenic preservation, after trauma 129
 - splenic torsion, with polysplenia syndrome 573
 - splenic trauma (ed. comm.) 401
 - splenic trauma 129, 443
 - stapling instruments, in closure of double barrel colostomy 569
 - stapling,
 - modified autosuture technique 477
 - use of EEA stapler in vertical banded gastroplasty 485

- stenosis, subglottic 291
- surgical acute abdomen, diagnosis of by peritoneal neutrophilia 565
- surgical gloves 559
- Surgical Research Society of Australasia, Proceedings of 155
- suture technique 75
- Swenson operation, for Hirschsprungs disease 435

- tendon, flexor, avulsion of 67
- testicular epidermal cysts 229
- testis, undescended, surgery for 431
- thyroid, medullary carcinoma of 271
- tracheo-oesophageal fistula, in children 447
- transplantation, renal, wound infection following 223
- transport
 - effect of distance on outcome of neurotrauma 29
- trauma
 - abdominal, blunt, simulating Crohn's disease 287
 - abdominal, in children 439
 - effectiveness of emergency medical services for neurotrauma 29
 - hand 67
 - spleen 129, 443, 401 (ed. comm.)
 - sub-clavian artery 249
 - vertebral artery 361
- tumour marker
 - carcino-embryonic antigen (CEA) in breast cancer 1

- tympanomastoid fissure, use of to find facial nerve at parotidectomy 369

- ulcer, gastric, review 95
- ultrasonography
 - in diagnosis of saphenofemoral and saphenopopliteal incompetence 49
 - scrotal, in diagnosis of testicular epidermoid cysts 229
- ureter, ectopic, in caudal regression syndrome 365
- urethral fistula, closure of, after hypospadias repair 483
- urinary diversion 477
- urological resectoscope, use of in transanal resection of rectal adenomas 375

- valve, pulmonary, congenital insufficiency of 177
- varicose veins 49
- varicose veins, Doppler testing 357
- vas, re-anastomosis of, in vasectomy reversal 73
- vascular prosthesis, interposition vein cuff for anastomosis of 283
- vasectomy, reversal of 73
- vertebral artery trauma 361
- vesico-ureteric reflux (VUR), associated with RAN in children 417
- volvulus of the colon 385

- wound healing following mastectomy 25
